FUEL ADDITIVE

2 & 4T Engine Cleaner

REF. 2800
6X250ML
3266720028008

PROPERTIES

BARDAHL 2 & 4T Engine Cleaner offers the following properties:

- Suitable for carburetors and injectors,
- Cleans, protects, and lubricates the entire fuel system,
- Eliminates hesitation during acceleration and unstable idling without disassembly,
- Reduces fuel consumption,
- Facilitates cold starts and decreases exhaust smoke,
- Enhances engine performance: smoother acceleration.

INSTRUCTIONS FOR USE

With each fill-up, fill the graduated part by squeezing the bottle, pour into the tank, then top up with petrol.

Not compatible with biofuels such as E85.
